

DoorMojo.com

LOG. PICK. GET.

Clean Home. Professional Service. Fair Price.

Who are we?

-  Door Mojo is in the business of getting curated home service providers for various services ranging from cleaning tasks, pest control, appliances repairs and handyman jobs.
-  The Door Mojo App makes it convenient to book Home maintenance and repairs services directly from your mobile phone.

WHY US?

AIM TO PROVIDE
HIGHEST QUALITY
SERVICES

Our Team

Our crew members have undergone a specially designed training process including on-site training before deploying them to your door step. They are equipped with the latest equipments, cleaning agents & know-how. They also undergo training every month for their further improvement

Our Mission

Our mission is to continue to provide exemplary services to our clients and ensure that we always remain their 1st choice.

Our Vision

Our vision is to continuously improve our training process, professional attitude and client experience. We aspire to remain the best in our industry and have our presence Pan India.
